

Parent's
Questions

When will I know about trips and visitors?

Each year the children will experience trips out and about. We value the enrichments trips can add to our curriculum and know that these will give the children lasting memories to treasure.

Your child's class teacher will inform you if a trip is going to be taking place. There will be at least a half term notice. We also invite visitors into school and in some instances there will be a cost for this. We run residential for year 4 and year 6 each year. More information will be given to parents and carers a year prior to these visits.

We may ask for parent and carer volunteers to help on these visits we may need a CRB check for these volunteers.

We are experiencing many children telling adults that they are talking to strangers online or that their devices are not locked down or they have followers that they don't know. This is extremely concerning. Please watch the following clips about how to lockdown devices or games

Please also remember that children must be 13 to use TikTok. 16 to use WhatsApp and 17+ to play GTA – these are all issues for us at the moment!
