

## A message from Mrs Jones

It's lovely to be back at school after the Christmas break and I is great to welcome all our families.

We are straight into our learning this half term and entering into our Explorers whole school theme. It will be lovely to see all the adventures your children get up to.

## Behaviour

This half term we will be having a focus on behaviour with our children.

We will be focusing on linking good behaviour choices with Christian and British Values.

Our children are generally very well behaved at school however there can be times when this can slip as in any school. We will also be congratulating the children who behave well all the time and ensuring that they are seen to be being praised. If you would like to read our behaviour policy, please follow the link below:

## Parent and carers assemblies this half term

This half term we will be having two class assemblies – **Year 1 on the 1<sup>st</sup> February and Year 6 on the 17<sup>th</sup> February.** Both of these will start at **9.15** and Covid allowing, you will be able to spend some time in your child's class looking at their work. We are allowing up to two parents or carers for each child.

## Uniform

Please make sure your child has the correct uniform on each day. If you are finding paying for uniform challenging, please contact the office. We will be talking to the children about wearing the right school uniform. To check the uniform please click the link to our Parent's Survival Guide:

<https://www.oxenhopeprimary.org.uk/parents-survival-guide/>

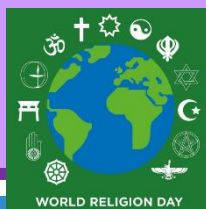

## Home Learning

We are continuing with our home learning for children who are isolating due to Covid. Your child's class teacher will contact you to organise this when you let us know they will be off. Obviously if your child is ill with Covid we will not expect them to complete the work until they are well. This will be discussed with your teacher.

## World Religion Day

Next Friday, 14<sup>th</sup>, is World Religion Day and your children will spend time looking into different Religions from around the world. If you have any resources from different religions, please contact your child's class teacher.

## Class Newsletters

These will be sent out to you via email by Monday the 10<sup>th</sup> January. They will give you information about what your child will be learning in class.
