

A message from Mrs Jones

Another great but busy week in school this week.

The children have been working so hard as have the staff.

Covid is certainly still a feature of our daily school life and we are working hard to make sure the best experience for all despite the difficulties we face.

Covid 19

Covid remains a very large presence within the school and we are working hard within the guidelines and information from the government which is ever changing.

We have started sending out a weekly newsletter on a Monday which will outline any changes or information which is useful for families and the school. If we recommend a test, this is for good reason please support us in this.

Please read this every week.

Parent and carers survey

Next week will be sending out an online survey for you to complete about your experiences with school. This information is very important to us and we use it to drive forward developmental change, celebrate success and ensure that things that work well for families still happen. It is incredibly important that you complete this when you receive it.

Uniform

Please make sure your child has the correct uniform on each day. If you are finding paying for uniform challenging, please contact the office. We will be talking to the children about wearing the right school uniform. To check the uniform please click the link to our Parent's Survival Guide:

<https://www.oxenhopeprimary.org.uk/parents-survival-guide/>

Oxenhope's Big Read

As you know we really value the skill of reading across school. Next week we will be launching Oxenhope's Big Read day on Friday. There will be lots more information coming out early next week.

Developing Church Links

We are always looking to further our links with our village churches and other religious places of worship in our locality. Next week Mrs Jones and Mrs Brown will be meeting with Reverend Cat and Reverend Elspeth to see how we can work together.

Lockdown Practise

This will now be on Wednesday 19th January
