

# School Council Newsletter– Spring 1

This term the School Council would like to help refugees in the local area. I wanted to help refugees because my dad told me about them and I was so sad about how much they suffer and I wanted to help in anyway I could. Just imagine how they might feel everyday. The school council decided that we should collect books for children refugees. (Written by Ada Kratz Kidd).

## We Need Your Help!

The School Council have decided that we are going to collect children's books to give to the charity, Refugee Action. When refugees flee their homes they often leave behind personal belonging including books. We think it is important for all children to have access to books. Therefore, if you have any children's books that are in good condition please donate. There will be a table in the hall for all your books to go on. Look out for the posters we have put up around the school. We will take the books to the charity on **Friday 18h March 2022**. (Written by Amelia England).

## Coming up next term...

Red nose day is coming up next term and we are thinking of doing a competition to design your own red nose. There will be prizes to be won and all the money will be going to charity! We will give you more information nearer the time.

Thank you for your continued support!
