

This risk assessment is correct as of the time of publication 2.3.2022 and will be constantly reviewed and is subject to change. For a copy of the latest school risk assessment please contact the school office (office@oxenhope.bradford.sch.uk).

Assessor: Helen Williams	Date: 26/08/2021	Activity September Reopening of Schools Risk Assessment 2021	Location: Oxenhope CE Primary
Standard of dress for activity (if relevant)		PPE required: Disposable Gloves, Aprons, Face coverings	Other equipment used during activity: Cleaning equipment + household cleaning products

Activity/Task/ Risk From	Hazard	Persons at Risk	Existing Control Measures	S	L	R	Res	Further Control Measures required	Date further measures completed by
Students & staff with prior medical conditions deemed as 'Clinically extremely vulnerable'.	Persons with prescribed medical conditions and previously deemed as 'clinically extremely vulnerable' are no longer deemed as more at risk from COVID19 effects, whenever community transmission rates are high. However, this is being monitored.	Students / Staff	We encourage all students and staff to follow the guidance for people previously considered clinically extremely vulnerable from COVID dated 25/02/2022. https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19 Staff with a weekend immune system should follow. https://www.gov.uk/government/publications/covid-19-guidance-for-people-whose-immune-system-means-they-are-at-higher-risk/covid-19-guidance-for-people-	5	2	10	M	All students and staff who eligible are to be encouraged to consider take up of vaccinations available, unless medically exempt. GDPR compliant records to be maintained of vaccinated staff to assist with maintaining continuous support of schools functions throughout the year. Through sight of vaccine certificates. You should also take advice from your health professional on whether	01/04/2022

			<p><u>whose-immune-system-means-they-are-at-higher-risk</u></p> <p>All CEV children and young people should attend their education setting unless they are one of the very small number of children and young people under paediatric or other specialist care who have been advised by their GP or clinician not to attend. Further information is available in the guidance on supporting pupils at school with medical conditions.</p> <p>School leaders are best placed to determine the workforce required to meet the needs of their pupils. Clinically extremely vulnerable (CEV) people are no longer advised to shield but may wish to take extra precautions to protect themselves, and to follow the practical steps set out in the CEV guidance to minimise their risk of exposure to the virus.</p> <p>Staff in schools who are CEV should currently attend their place of work, and follow DHSC guidance.</p>					<p>additional precautions are right for you and inform your line manager/teacher where an individual RA can be drawn up.</p> <p>Considering: - When you were vaccinated and continuing to follow government guidance.</p> <p>Wearing and asking others to wear a face covering around you. Avoiding crowded spaces.</p> <p>Where genuine confusion exists in determining whether a student or staff member is required not to attend school, a copy of the GP/clinician notification letter should be provided to the Headteacher;</p> <p>Ensure that key contractors are aware of the school's control</p>	
--	--	--	---	--	--	--	--	---	--

			<p>We encourage vaccine take up by enabling staff who are eligible for a vaccination to attend booked vaccine appointments where possible even during term time.</p> <p>Increased hygiene measures are followed – more frequent hand washing, respiratory hygiene and enhanced cleaning of surfaces and ventilation.</p>					<p>measures and ways of working.</p> <p>When school is informed of a rise in community transmission rates to 3high, the academy will follow the BDAT outbreak management plan in conjunction with the local authority outbreak management plan. See link http://www.bdat-academies.org/wp-content/uploads/2021/08/Outbreak-management-plan-Sep-21-002.pdf along with the local authority outbreak management plan.</p>
