Safeguarding Newsletter – 19.11.22

Message from Mrs Jones – Designated Safeguarding Lead (DSL)

Hello, welcome to our second addition of our Safeguarding Newsletter. We have been forced to focus a lot on health and safety this half term due to the cold weather we have been having and making sure our children and staff are safe in and around our building. We have also had our annual Safeguarding audit this half term which went very well and we were highly praised by the external auditor. We conducted our wellbeing survey with our children and staff, and it was lovely to read about how safe all our children feel at school. We had specific conversations with children who needed it and that helped those children feel listened to.
