

3.30 – 4.15

5th January
2024

The Main
Hall

Mr Thurlby

Oxenhope C of E Primary School

How you can help your child with Maths parent and carers workshop

Come along and join Mr Thurlby to find out all about Maths at Oxenhope and how you can support your child.

Find out all about how we assess your child, what they will learn in each year group, the different tests your child will take part in, tips and tricks to support your children, advice and ideas about fun things you can do at home, information about our calculations policy and free maths gifts!

We hope you can come along to this fun and informative workshop on 5.1.23 at 3.30 – 4.45. If you are interested please let the office know you would like to attend.
