

Summer 2 Newsletter

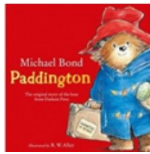

Good morning,

I hope you all had a fantastic holiday. This year has flown by. I cannot believe we are in our last term! The children have worked incredibly hard this year and I am proud of all the progress they have made. Towards the end of this term pupils will have a transition day where they will spend a day with their new year 2 teacher doing fun activities in their new classroom. This is a great opportunity for the class to get to know their new teacher and ask any questions they might have. As always if you have any queries at all please don't hesitate to contact me. You can contact me via dojo or via email. My email address is: Philippa.lovett@oxenhope.bdat-accdemies.org

Best wishes

Miss Lovett

Monday	Outdoor Learning Pupils will read with an adult and have their reading book	Pupils need to bring their wellies. Please sign the reading record so we know if it has been read and if it needs changing. Homework due
Tuesday	PE	Pupils can come in their PE kit.
Wednesday		
Thursday		
Friday	Library book PE	Pupils will visit the library and swap their library books. Pupils can come in kit.

English- This term pupils will learn how to write a postcard. Our class text is the story 'Paddington' by Michael Bond. Pupils will also learn how to write instructions. We will continue to practise the year one grammar and punctuation skills. Focusing on; sentences with 'and' and 'because', full stops, finger spaces, capital letters, adjectives, question marks, exclamation and tense.

DT- Weaving

Pupils will learn how to weave and will practice weaving with different materials.

RE- Belonging-Who am I and what does it mean to belong?

Pupils will learn about belonging and discuss where they feel they belong.

Science- Seasonal changes

How do the seasons affect us, plants, and animals? Pupils will revisit previously studied seasons and consolidate and deepen their understanding of all the seasons focusing on temperature, day length, sun protection and how we can measure the weather.

Geography- Pupils will understand where we live and the countries that make up the UK. Why is our country a place of wonder? Pupils will compare and contrast London with Brasilia.

Maths- Pupils will continue to cover place value within 100. Pupils will also learn how to tell the time, weight and capacity, division and multiplication.

PE- Multi games

Pupils will learn how to move at speed with confidence focusing on dodging, co-ordination and agility.

PSHE- Getting help, becoming independent, my body parts and taking care of myself and others. Who do you trust and who should you be able to trust?

Music- Reflect, Rewind and Replay. This Unit of Work consolidates the learning that has occurred during the year.

Research the capital cities of Wales, Northern Island, England and Scotland.

Create a poster of your findings.

Create one of the famous landmarks in London out of junk modelling.

You could create The Big Ben, Buckingham Palace and many more.

Paint or colour the flags of England, Wales, Scotland and Northern Island.

Write a postcard to a friend or family member about what you have been up to or a holiday that you have been on.

Summer 2 – Homework ideas

Draw a picture of the United Kingdom and label the countries, capital cities and the seas that surround it.

Learn the months of the year. Write which months are in each season.

Practice telling the time. Ask your child to 'stop and point to the clock' when it is o'clock or half past. The children love doing this!

Create a poster showing your understanding of the seasons and how the weather changes.

Create your own maths or phonics board game to bring to class and play with a friend.

Practice using question marks. Ask Miss Lovett or Miss Wilkinson anything!
