

Aspen Class - Year 6

Summer 1 - Time to grow!

April 2026

Oxenhope C of E Primary School

Hello Year 6 and welcome back after the holidays. I am very excited to welcome you back and am looking forward to another exciting half-term together.

Our topic this for this half-term is all about trade and trade routes. We are going to be thinking and researching the different natural resources available in countries and how they can be used. We are going to be looking at which goods countries import and which they can export.

We will revisit our knowledge of the Silk Road (one of the largest historical trade routes) and apply this to modern day trade.

English

In English this half term we are going to be focusing our learning on revision. We are going to be using the start of this half-term to revise areas within grammar, punctuation, spelling and reading comprehension to help prepare us for our end of year assessments. This will help to put us in the best position to flourish and feel confident going forwards.

Maths

Much like English we are going to be focusing this half-term on revision. All areas that we focus on will be taken from our Spring assessments with us focusing on skills that have been identified as areas we need to develop.

R.E

Our current big question in Re is 'What does it mean for a Jewish person to follow God? ? We will be looking at different religions focusing mainly on Judaism and what it means for them to believe in their faith and God. We will look at how this applies to the way people may act within different situations and how religion may help them.

Uniform and attendance

Please ensure your child is wearing correct school uniform each day. Please see our uniform policy for information. It has been lovely to see the pupils looking so smart this week! . Our doors open at 8:30 and pupils can arrive at school at this time.

Outdoor learning

We will be doing outdoor learning every Tuesday (whatever the weather) so please ensure your child comes with a waterproof coat and suitable shoes - we will spend a lot of this time in the nature area and in our local surroundings.

P.E.

In Aspen Class P.E. will take place twice a week. Our PE days will be on a Tuesday and Wednesday. We will be trying to get outside for PE as much as possible. Pupils will need to wear appropriate PE kit,(this can be found in our uniform policy).

Home learning

This half-term in the build up to SATS children will be given revision work to do .

Children are welcome to complete this at during revision clubs that take place at lunch time.

This work much like homework is not statutory but will help them to progress in areas that they may find difficult.

Reminders

- Children are allowed to bring a healthy snack for morning break to help boost concentration.
- Please bring fresh water bottles to school daily.
- Children can bring a pencil case into school now, please ensure it is suitable and only contains necessary equipment.
