

Year 3 Summer 2 newsletter

WELCOME BACK! I hope you've had a refreshing break and are ready for another half term. Where is this year going? I can't believe we're in the final weeks of our time in Year 3! As always, please feel free to speak to me if you have any questions or queries. You can catch me after school or message me on Dojo. Please be aware that I don't tend to check Dojo during the day once the children have arrived but I endeavour to look before and after school.

PE Monday and Friday remain our PE days. Your child should wear their PE kit to come to school. PE kit is either plain black shorts or skorts and a plain white T-shirt, a plain black tracksuit or black leggings and a plain sweatshirt or black school hoodie. Trainers may also be worn on PE day. Please adhere carefully to this uniform. Your child should not be wearing any other colours and all clothes should be plain unless they have the school logo on them. **No other logos or patterns are permitted.** Thank you.

OTHER KEY DAYS

Reading books - these can be placed in the box for changing on any day but **WEDNESDAY** is the day I will check everyone's home reading record.

Homework - this can be sent on any day via Dojo.

Library - **FRIDAY** Children should bring their book every week even if they wish to keep it.

Outdoor learning - **FRIDAY.**

TRIPS.

We have our 2 school trips to look forward to this half term.

On June 17th we're going to Harlow Carr to look at the beautiful gardens and also take part in a workshop. On June 23rd we're visiting Shipley school for the culmination of our Linking Project work. Children will need a packed lunch on both these days and payment is now on ParentPay. Thank you.

OTHER KEY DATES:

15th and 16th June is parents' evening. You are all more than welcome to come and see me if you wish but please feel free not to book an appointment too. I am busy writing your children's end of year reports which will be coming out to you in due course and will summarise their year as well as telling you their end of year data. If you have anything specific you'd like to discuss, please do make an appointment but don't feel you need to.

19th June Sports day 9:15.

Week beginning 22nd June - Assessment week. Your child's attendance during this week will be really important.

1st July - transition day. Your child will visit their new class and spend the day with their new teacher.

Homework ideas

I've shared below what our learning in each curriculum area is about along with a homework idea. If you want to take the lesson theme and choose a different idea, that's of course absolutely fine.

SCIENCE - Water transportation in plants. Can you create a labelled diagram to show how water moves through a plant?

MATHS - We're now in our final spiral of our maths curriculum so any area of maths will be helpful. As the children's fluency increases, problem solving activities are super. If you're not sure, times tables, times tables, times tables!!

ENGLISH - Story. Can you write a story? It can be about anything! Remember to describe your setting and characters and to include the skills we've been learning.

ART - Printing. Can you create a piece of art work by printing. What will you use to print with?

RE - "What do Christians learn from the creation story?" How about making a cartoon strip or story board to show the story of Adam and Eve?

GEOGRAPHY - Can you create a power-point about famous Italian landmarks?

PSHE - Can you do a keeping safe online poster?

Remember to send you homework each week on Dojo. I don't mind which day it arrives but please make sure you send something every week. Thank you.
